

This is a safe, natural tick repellent for humans made with essential oils. Not recommended for animals.

Ingredients

20 Drops of Rose Geranium Essential Oil

10 Drops of Sweetgrass Essential Oil ñ [Click here to order sweetgrass oil online](#)

5 Drops of Lavender Essential Oil

5 Drops of Citronella or Lemon Essential Oil

4oz of Rubbing Alcohol, Witch hazel, Vodka, Apple Cider Vinegar or Distilled Water

Glass Spray Bottle

Directions for Use

Add all of the ingredients into the spray bottle and spray on clothes before going outside. Shake before using.

Note: While you can use water, the other options are better for keeping the oils in solution. Regular tap water may contain contaminants, so distilled water is preferred.
